Dear Emily,

Thank-you for helping Room
3 surf because I really needed you
out in the tough waves.

Emily my name is Laura I told you
my name but you probably don't remember
me. I was in the last group. I really
appreciated you coming because it was
really fun. When I tumbled off the surf
board you came and helped me. I am 3 in
luck because my family just bought a surf
board.

I got up twice for about 5 seconds.
So thank-you,
yours sincerely Laura
